Golf Course Etiquette

Persons using the golf course should do their part to make a round of golf a pleasant experience for everyone at the Club. Here are some **suggestions** that may improve the pace of play for everyone:

1. Do not waste time. Anticipate the club or clubs you may need, and go directly to your ball. Always be near your ball to play promptly when it is your turn. If a player is delayed in making his shot, it would be courteous for such player to indicate to another player to play which should not be deemed playing out of turn.
2. The time required to “hole out” on and around the green is a chief cause of slow play. Study and clear the line of your putt while others are doing the same. Be ready to putt when it is your turn.
3. Be sociable, but reserve your extended conversations for the 19th hole.
4. When approaching a green, park your golf cart on the cart path on the best direct line to the next tee, in order to save significant time. Never leave the golf cart in front of the green where you will have to go back and get it while the following players wait for you to move on.
5. When play of a hole is completed, leave the green promptly and proceed to the next tee without delay. Record the scoring for the completed hole while the others in your group are playing from the next tee.
6. If you are not keeping a pace of play consistent with these Rules and Regulations or not holding your place on the course (see General Golf Rules), allow the players behind to play through. Do the same if you stop to search for a lost ball and thereby cause a delay in the pace of play.
7. The Player Assistants will report slow play and all breaches of golf etiquette to the Golf Shop. Appropriate action will be taken by the Golf Shop personnel.

CLUB OWNER’S AUTHORITY.

All matters subject to Club Owner's (or the Club's) review, consent, approval or discretion pursuant to these Rules and Regulations shall be reviewed and approved or disapproved by Club Owner (or the Club) in its sole and absolute discretion.
